

Ultimate Sound. Intelligent Performance.

The ultimate Galaxy Buds Pro in black, silver or violet allow you to listen to your music for a full 28 hours. For this, Sound by AKG gives you a 2-way speaker with excellent sound quality. Thanks to the charging case with a battery capacity of 472 mAh, you can rely on your Galaxy Buds Pro for up to 28 hours. You can also charge them wirelessly with Qi Charging. Not only that, after a charging time of just 5 minutes you can listen to another 55 minutes of music.

Highlights of the Galaxy Buds Pro

- Up to 28 hours of music playback
- 472 mAh charging case
- Qi-compatible wireless charging
- 5 minutes of charging for 55 minutes of music playback (also featuring device-to-device PowerShare)
- Sound by AKG (2-way speaker)

Ultimate noise cancellation

The Galaxy Buds Pro let you listen to your favorite music, or watch a movie, in peace and quiet thanks to 99% background noise reduction. You can also make telephone calls without being disturbed by using the automatic call mode for the calls.

Immersive sound

The 2-way speakers with 11 mm woofer and 6.5 mm tweeter, featuring Sound by AKG, lend the Galaxy Buds Pro an excellent sound quality. The result is, you hear your friends, family or business associates in every phone call as if they were standing next to you. The spatial audio gives you an audio experience like nothing you have experienced before.

Comfort

The Galaxy Buds Pro's long battery life allows you to listen to your music for up to 28 hours. You don't have to worry should the Galaxy Buds Pro fall into water. Thanks to their IPX7 rating, the Buds Pro will stay water-tight for about 30 minutes in fresh water of 1 meter depth. With Qi Charging, the battery charging time is reduced: charge for just 5 minutes and listen for 55 minutes.
