

TELL YOUR STORY.

OM-5

Every journey is a story waiting to be told; a thousand little moments hidden between a beginning and an end. This is for you and your thousand moments. Tell your story with the new OM SYSTEM OM-5. Designed to stay with you but not get in the way of your experience. Chuck it in your favorite bag, or let it dangle unnoticeably on your shoulder until inspiration strikes. It will be ready for your story but won't be a tiresome load. The OM-5 features class-leading IP53 dustproof, splashproof, and freezeproof design, so you can keep telling that story, like your favorite pair of boots that just keep on going. Get closer, see more from afar, let computational photography features like Live ND inspire you to try new things and see your surroundings in a new light. The new OM-5, ready for your adventures.

FEATURES

Compact, Lightweight, High Image Quality Interchangeable Camera System for superior portability

Reliability in Any Environment
with IP53 dustproof, splashproof, and freezeproof design

Video Functions
including high quality video and vertical video recording

Capture Impressive Adventure Scenes with computational photography offering further inspiration for creative shooting
