

Product Highlights:

- Quickly transfer large files with read speeds up to 255MB/s¹
- Two slots—one for SD cards and one for microSD cards—for simultaneous offloads
- Support cards up to 2TB
- USB Type-A and Type-C dual connectors ensure wide compatibility with computers and mobile devices
- Stylish and portable design for use on location and in the studio
- Interface protection for durability

TYPE-C

USB-A

Double-Duty Fast Transfers on the Go

The Lexar® microSD/SD USB-A/C Card Reader RW360 delivers read speeds up to 255MB/s¹ that allows you to quickly offload content from an SD card and a microSD card at the same time.

Blazing-fast Transfers Anytime, Anywhere. USB 3.2 Gen 1 technology lets you quickly transfer even large files with read speeds up to 255MB/s¹ when paired with the Lexar SILVER PLUS SDXC™ card and up to 225MB/s¹ when paired with the Lexar SILVER SDXC card – accelerating your workflow to 245% faster².

Simultaneously Offload Two Cards. With an SD card slot and a microSD card slot, you can transfer files off two cards at the same time—plus the reader supports cards up to 2TB.

Works with Type-C and Type-A Devices. Dual connectors ensure wide compatibility with computers and mobile devices with no extra cables, drivers, or app downloads needed.

Stylish, Portable Design. Precision-textured finish for anti-slip grip and durability in a small, portable design that easily fits in your camera bag or pocket.

Interface Protection for Durability. Features oxidation-resistant, nickel-plated interfaces. Rigorously tested with 10,000 insertions/extractions and constructed with quality materials to ensure smooth plugging and unplugging, an enduring snug fit, and stable reading for the life of the drive.

Rigorously tested. All Lexar products undergo extensive testing in the Lexar Quality Labs, facilities with thousands of different cameras and digital devices to ensure performance, quality, compatibility, and reliability.

For more than 29 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, solid-state drives, and DRAM. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

¹ Results may vary based on system configuration and card speed.

² UHS-I SD card maximum read speed is 104MB/s, but with the reader leverages special technology to increase read speed to as much as 255MB/s when paired with our UHS-I SILVER PLUS SD cards.

Lexar is not liable for any loss of data or images.

Product appearance, performance, software offerings, and packaging may vary depending on ship date and available inventory.
