

Link Split Pro

2 x USB-C Braided Cable

140W 150cm

This split USB-C braided cable is designed for maximum versatility, allowing you to charge up to 2 devices simultaneously from a single power source. With a length of 150 cm, it provides flexibility and convenience for everyday use, whether at home, in the office, or while traveling. Featuring adaptive fast charge technology, the cable automatically balances power distribution between connected devices, ensuring efficient and optimized charging performance. Built with strong braided material, it guarantees durability and long-lasting reliability. The cable supports both charging and data synchronization, offering a practical and efficient solution for modern devices.
